

The Hand Made BOUQUET

Westbrook is committed to producing a unique bouquet that will provide the consumer with long lasting enjoyment.

Fresh Product

- We purchase our flowers from local growers and international farms in bulk
- New product is brought in on a daily basis to ensure that only the freshest flowers are used
- The dedicated designer and cut flower buyer are on a constant lookout for new flowers to introduce to our bouquets

Personal Touch

- Our bouquet team builds each one of your bouquets by hand
- Our bouquet lineup offers a wide range of price points and designs to satisfy all your needs
- We keep things fresh by changing the bouquet designs daily as well as seasonally adjusting flower colours
- We feature new bouquet designs every month

Professional Service

- Our bouquets never leave a climate controlled environment
- Daily product rotation automatically managed by flow-through racking system
- Proper ventilation allows for pre-cooling of product
